Dear Clients:

We recently had the opportunity to attend The Hartford Foundation for Public Giving's annual Scholarship Recipient Reception at Saint Joseph College. At that meeting the Hartford Foundation announced the first scholarship recipient of the KR Wealth Management Scholarship.

As you may remember we established this scholarship fund in 2007 as a way to honor our clients by making a contribution in their name on their birthday. We are proud to say our first winner is Connor Rowntree of Hall High School in West Hartford. Connor will be attending the University of Massachusetts next fall and intends to pursue a double major in psychology and music. He is the principal bassist of the Hall High Concert Jazz Band and I Giovani Solisti, the Town of West Hartford's select string orchestra.

Connor has been playing the Bass since he was 9 years old. The Director of Bands at Hall High stated that "Connor fully understands that great artistry has no finite ending, and he consistently and joyfully pursues excellence." The Orchestra Director added "He is an outstanding young man both in his musical achievement and as a leader in the orchestra".

Connor also has been selected as an all state Ice Hockey player for Hall High and played lacrosse for them for four years. I had the privilege of meeting Connor and his wonderful parents Karen and Geoff at the reception. He is truly an outstanding young man. This summer he intends to teach at a music summer camp and perform at the Litchfield Jazz Festival.

We intend to follow Connor throughout his college career. We are planning for him to visit our office in the near future. In addition we hope to attend his performance at the Litchfield Jazz Festival this summer. Connor wanted me to pass on to you his sincere gratitude for your generosity in providing him with this scholarship and the ability to pursue his dream at the University of Massachusetts.

Sincerely Yours,
